

FOR IMMEDIATE RELEASE

Bill Stang Appointed as Chief Sales Officer of Windy City Wire

Bolingbrook, IL – June 6, 2025 – Windy City Wire is thrilled to announce the promotion of Bill Stang to the position of Chief Sales Officer, effective immediately. Stang, who has been an integral part of Windy City Wire since joining the organization directly after graduating from North Central College in 2002, will continue to play a pivotal role in the company's growth and success.

In his new role as Chief Sales Officer, Bill will report directly to Dan Hughes, the President of Windy City Wire. Bill's appointment to Chief Sales Officer is a key component of Windy City Wire's strategic growth plan. As Windy City Wire looks to continue growing within the industry, Bill's strategic insights and proven leadership skills, will be invaluable in driving innovation, operational efficiency, and customer satisfaction. His appointment as Chief Sales Officer is a testament to Windy City Wire's dedication to excellence and our commitment to nurturing talent from within.

"Bill's promotion to Chief Sales Officer is a reflection of his dedication and contributions at Windy City Wire. He has been instrumental in building our AV vertical to what it is today, and I am looking forward to his impact to our overall sales team. With his proven leadership and commitment to Windy City Wire's customer-first mission, Bill is more than deserving of this role and well-positioned to lead our sales team into the future." says Dan Hughes, President of Windy City Wire.

"Stepping into the role of Chief Sales Officer is truly an honor. I'm incredibly grateful for the trust and confidence that the leadership team has placed in me." Expressed Bill Stang who continued by adding.

"Since 2002, I've had the privilege of working alongside some of the most dedicated and talented individuals in the industry. I'm beyond grateful for the opportunity and incredibly proud to be part of a team that continues to push boundaries, innovate, and grow together.

Thank you to everyone who has supported me throughout this journey—I'm excited for what's ahead!"

Bill lives in Downers Grove with wife Emily and sons Hunter (10) and JJ (7). He loves coaching his boys in all sports and spending time fishing, boating and snowmobiling with family and friends at his family's cabin in the Northwoods of Wisconsin. In addition to all this, he's always ready to enjoy live music and all things Chicago Bears!

About Diploma PLC

Boilerplate: Diploma PLC is a decentralised, value-add distribution Group. Our businesses deliver practical and innovative solutions that keep key industries moving – from energy and infrastructure to healthcare.

We are a distribution group with a difference. Our businesses have the technical expertise, specialist knowledge, and long-term relationships required to deliver value-add products and services that make our customers' lives easier. These value-add solutions drive customer loyalty, market share growth and strong margins.

Our decentralised model means our specialist businesses are agile and empowered to deliver the right solutions for their customers, in their own way. As part of Diploma, our businesses can also leverage the additional resources, opportunities and expertise of a large, international and diversified Group to benefit their customers, colleagues, suppliers and communities.

We employ c.3,500 colleagues across our three Sectors of Controls, Seals and Life Sciences. Our principal operating businesses are located in the UK, Northern Europe, North America and Australia.

Over the last fifteen years, the Group has grown adjusted earnings per share (EPS) at an average of ca. 15% p.a. through a combination of organic growth and acquisitions. Diploma is a member of the FTSE 100.
